That was an MSDS that was given to us. I have not received any MSDS from Freedom Industries or Etowah Terminal for any of their on-site chemicals.

Subject: Request additional information regarding the Crude MCHM MSDS

Hi Melissa,

On Jan. 13, 2014 the SERC posted the Crude MCHM MSDS along with 6 years of Tier II reports. ADSTR had previously given us the 10/19/2005 version of the EASTMAN MSDS for the Crude MCHM and on Jan. 13, 2014 you posted a more current EASTMAN MSDS dated 8/18/2011. My supervisor, Joan Armstrong

needed to know whether you received the more current MSDS dated 8/18/2011 from the Freedom Facility or from the Chemical manufacturer "EASTMAN".

Any help in this matter would be most appreciated.

Regards and Thank you,

Jim Kilpatrick
